Dear Supporter,

We are looking for people to make a sponsored 10,000 feet freefall parachute jump on our behalf and in return we are willing to pay for it! Everything you need is enclosed in this pack including your reservation form and sponsorship forms and we've made everything as easy as possible for you to take part.

Noah's Ark Children's Hospice is a registered charity who provide support to life-limited children and their families in the North London and South Hertfordshire area. As you will see from the enclosed literature we ask you to raise £395 in sponsorship money in order for you to jump for free and in turn we will receive an average donation of £140. In addition to this, every extra pound that you raise over the minimum comes straight to the charity, so please try to raise as much as you possibly can!

The enclosed information has been written by professional events organisers Skyline who receive a flat rate per jumper for organising the jumps for us. Skyline specialise in organising fundraising events for charities so if you have any questions please ring them directly as they are in the best position to answer your questions - you can contact them on 020 7424 5522.

We sincerely hope that after you have read through this information pack you will decide to give it a go. We are in desperate need of funds in order to continue our work and don't forget, all you have to do is raise the minimum amount of sponsorship and you will get to jump for free!

Good luck with raising your sponsorship and we look forward to hearing from you soon.

Kind Regards,

Chris Harbour

10,000 ft Freefall Parachute Jump!

What's it like?

Imagine standing at the edge of an open doorway in an aircraft flying at 10,000 feet - the noise of the engines and the wind ringing in your ears with only the outline of distant fields below. Now imagine leaning forward out of that doorway and letting go - falling forward into the clouds, diving down through the air as you start freefalling at over 120mph! Then imagine the peace and quiet as the canopy opens, the steering toggles come down either side of you and you begin a tranquil parachute descent from a mile up in the air, steering yourself back down to the centre of the drop zone below. Imagine being able to do this for FREE whilst harnessed to a professional freefall parachute instructor and at the same time being able to help a national charity! Stop imagining, it's real and it's happening all the time and you can be part of it...

What does the jump involve?

Technically the jump is called a 'Tandem Skydive'. It is a Skydive because you will be freefalling through the air (without the parachute deployed) for several thousand feet; it is in Tandem because you will be harnessed to a professional parachute instructor at all times throughout the descent (see front photo). This is the only way you can jump from such an altitude without spending thousands of pounds becoming a freefall parachutist. This is literally the chance of a lifetime!

This jump is also much less demanding than the traditional 'static line' jump as the jump and training are completed in one day and your instructor will be in control of your landing.

Points to remember:

- Jump and training completed in one day.
- Harnessed to an experienced parachute instructor at all times.
- Jump from at least 10,000 feet - just like the professionals.
- Freefall down to 5,000 feet - falling through the air at 120 mph!
- Ride the parachute down to the ground - we teach you how to steer onto the drop zone.
- Landing controlled by your instructor.
- Certificate to prove that you have completed a 'two-mile high' Tandem Skydive!

What must I do to qualify for a free jump?

All you have to do is raise £395 (or more!) in aid of Noah's Ark Children's Hospice by asking your friends and colleagues to sponsor you, using our specially designed sponsorship forms which you will find at the back of this information pack. Please do not be put off by this amount - if you ask everybody you know to sponsor you, you will find you can quite easily raise the minimum £395 sponsorship and remember, every penny you raise over the minimum will be further contributing to Noah's Ark Children's Hospice and giving **you** the chance to make an exhilarating freefall parachute jump for FREE!

What do I do next?

Read the following pages entitled 'Important Information' and 'Paying Your Sponsorship Money' and then simply choose a date for your jump and complete the enclosed reservation form. After that all you have to do is make an exhilarating Tandem Skydive from 10,000 feet for FREE!

This is your chance to experience 120mph freefall!

Important Information

Where is the airfield?

We have 20 jump locations around the country, you will be allocated to your nearest one by your postcode. Once your reservation form has been received and processed, full confirmation details will be sent to you, including a map and directions to the airfield.

Are there any restrictions on age or health?

For a tandem skydive you must be at least 16 years old and be under 15 stone in weight (13 or 14 stone at some centres - please contact us for details). The principal medical restrictions are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma. You will be required to sign a medical form before your jump declaring your fitness to take part - this will be sent to you upon receipt of your reservation form but is also available on request. Those under the age of 18 will need the medical form signed by a parent or guardian; those aged 40 and over, or those with a medical condition, will need it signed by their doctor.

Pre-existing physical conditions will not necessarily prevent you from taking part but please inform Skyline of any physical condition as this may affect the location of your jump. If you are in any doubt then please contact us for further information.

What about insurance?

You will automatically be covered for up to £2,000,000 third party insurance but this will not cover you for personal injury. Should you wish to take out cover for personal injury you should either arrange this through your own broker or you can contact us on the number below and we will send you a Personal Insurance Form.

How do I book my place for a FREE jump?

Simply complete the enclosed reservation form and send it to us as soon as possible and certainly no later than the latest booking date indicated on the form. Please note you must also provide a £70 booking deposit (which can be taken out of your minimum sponsorship money) which should be made payable to 'Skyline'.

Paying your sponsorship money

You have four weeks from the date of your jump before your money to charity is due. Full details of our sponsorship payment system are included on the following page entitled 'Paying Your Sponsorship Money'.

Finally

We sincerely hope that you decide to give it a go - it has often been described as a thrilling 'once in a lifetime' experience and is an excellent way in which to raise funds for such a worthwhile cause. There will be lots of other people trying parachuting for the very first time on the day, so you are welcome to bring along your friends and family so they can watch you on a day you will simply never forget: The day you perform an exhilarating 10,000 feet tandem skydive in aid of Noah's Ark Children's Hospice.

PAYING YOUR SPONSORSHIP MONEY

TANDEM SKYDIVE

The following sponsorship system makes it easy for you to take part and ensures that you do not have to pay all of your sponsorship money in advance. Remember, as long as you raise the minimum £395 sponsorship level you can recover both the cost of the booking deposit and the jump from your sponsorship money - which means you get to jump for FREE!

PAYING FOR YOUR JUMP AND SPONSORSHIP MONEY

All airfields require you to pay for your jump on the day which will be approximately £195 depending on the airfield. Once we have received your reservation form we will advise you of how much to pay them on the day.

The outstanding sponsorship money owing to Noah's Ark Children's Hospice (£120 to £145 depending on the cost of the jump at your local airfield) will not be due until four weeks after the date of your jump. This money to charity will be collected at the airfield on the day in the form of postdated cheques (which must be guaranteed by a cheque guarantee card). This postdated method of payment makes it as easy as possible for you, allowing you plenty of time to collect your remaining sponsorship money after the jump before it is due to the charity.

Precise instructions on how to operate the above system, (including how much to pay your airfield on the day and how much sponsorship money is due to the charity) will be sent to you upon receipt of your reservation form and booking deposit.

NOTE We cannot start organising your jump for you until you send in your reservation form and appropriate booking deposit - please do this as soon as possible so that we can give you the date of your choice and so that you can start preparing yourself for what has often been described as 'the experience of a lifetime'!
