About us

At Noah's Ark, we build our hospice-at-home care, for life limited and life threatened children in central, north London and Hertsmere, with bespoke support packages for each family.

Volunteers magnify the support we can provide by 20,000 hours a year. However, we are meeting just one-tenth of the need, and less than 10 per cent of our income is available from the NHS.

Our fundraising team is working hard to enable the expansion of community-based services, and complete our circle of care with a dedicated children's hospice building. At the heart of our success is the support of our communities in Barnet, Camden, Enfield, Haringey, Islington and Hertsmere.

For care queries, to donate, to volunteer or to support our charity shops, please call 0208 449 8877.

"What we get from Noah's Ark isn't just nice to have, it's vital."

Eli's father Michael says

"Eli was born with severe cognitive and physical disabilities. The realisation that she would never talk, feed orally, or stand or walk unaided was enormous.

When we eventually returned home from hospital after seven months, we were told about Noah's Ark. With gentle and quiet direction we were guided out of our grief and perceived loss so that we might manage in the short and long-terms.

Noah's Ark has opened up another world to us. A play therapist and a specialist carer provided by the charity have played a big part in Eli's steady progress - watching her respond with such animation is a joy!

Over the years, Noah's Ark has shown compassion and understanding as well as acting as a lifeline to us and to so many other children and families.

Eli's life expectancy is limited by her condition so we will continue to need Noah's Ark. When you have an Eli it matters tremendously that she is in good hands."

For the near future

Our Building the Ark Appeal is raising funds to construct north London's only children's hospice building. Complementing our hospice-at-home and community-based services, a hospice building will allow us to offer a complete hospice service to children and young people, families and the community.

"I've been bowled over by the fantastic people I've met through Noah's Ark. I don't think they realise what an impact they have on us."

You can boost your donation by 25p for every £1 you donate by letting us know that we are able to reclaim Gift Aid on your donation(s).

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference. I would like Noah's Ark Children's Hospice to treat all gifts of money that I have made in the past 4 years and all future gifts of money that I make from the date of this declaration as Gift Aid donations. I confirm I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for each year (6 April to 5 April) that is at least equal to the amount of tax that all charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. All other taxes such as VAT and Council Tax do not qualify. Further information on Gift Aid can be found on the HM Revenue and Customs website. Please notify Noah's Ark if you: (1) Want to cancel this declaration. (2) Change your name or address. (3) No longer pay sufficient tax on your income and/or capital gains.
